**Invitation**  
**the 3<sup>rd</sup> Training Course of Rational Use of Medicine for Health Professionals**  
**in South and Southeast Asian Countries**

Dear Ms. Jiraporn

I am writing to inform you that the 3<sup>rd</sup> Training Course of Rational Use of Medicine for Health Professionals will be held virtually at Kunming Medical University **from 26-30 October 2020 for 5 days**. The training courses will be online events due to the epidemic of COVID-19.

This training course will be consisted of online lectures regarding the rational use of medicine including antibiotics, antineoplastic and psychotropic medicine and nosocomial infection and medicine therapy for COVID-19 and online show to increase communication on the rational use of medicine and share experiences of prevention and control of COVID-19 in China. The protocol of schedule of this event is attached.

We would like to invite **2** health professionals from your esteemed institution to take part in this video training courses. Really appreciate if you can accept this invitation and could you please email us back the attached Reply Sheet for Participation before **6 October 2020** via [Email: chenlyu@kmmu.edu.cn](mailto:chenlyu@kmmu.edu.cn) and [zhaopeng@kmmu.edu.cn](mailto:zhaopeng@kmmu.edu.cn)

We will do our best to provide participants with assistant with IT support and also please ensure participants are able to have stable internet services in Thailand. We will email you detailed information about video training courses once it is prepared well. Thank you very much!

Sincerely yours,

  
Ms Guo Haiyun  
Director  
Division of International Exchange and Cooperation  
Kunming Medical University
